

Once you have developed the IEP with the IEP team, you will receive a Notice of Recommended Educational Placement (NOREP)/Prior Written Notice (PWN). The NOREP/PWN explains the educational placement or class recommended for your child and explains your rights. You must approve the IEP and educational placement in writing for your child's initial special education placement before the school is allowed to begin implementation. There is no requirement for this notice after each subsequent IEP meeting, therefore, services will continue without your signature on the NOREP/PWN for subsequent IEPs.
