[National Service Learning Clearinghouse](#): America's Most Comprehensive Service-Learning Resource. The National Service-Learning Clearinghouse (NSLC) supports the service-learning community in higher education, kindergarten through grade twelve, community-based organizations, tribal programs, and all others interested in strengthening schools and communities using service-learning.

[DoSomething.org](#) is the country's largest not-for-profit for young people and social change. We have 1,666,208 members (and counting) who kick butt on causes they care about. Bullying. Animal cruelty. Homelessness. Cancer. The list goes on. DoSomething.org spearheads national campaigns so 13- to 25-year-olds can make an impact - without ever needing money, an adult, or a car. Over 2.4 million people took action through DoSomething.org in 2012. You know, because apathy sucks.
