Dear Parent or Guardian,

It has been brought to our attention that there have been questions regarding use of student based email accounts.

Your student's Freedomarea.org account is to be used for communicating with teachers, staff and students within Freedom Area School District. We recommend that when applying for colleges, internships, jobs, registering for SAT's or ACT's or any other outside communication, your student should use a personal email address. Students should create a professional sounding email account. For example [Jdoe123@gmail.com](mailto:Jdoe123@gmail.com), [Jdoe124@yahoo.com](mailto:Jdoe124@yahoo.com), [Jdoe123@msn.com](mailto:Jdoe123@msn.com) ect.

If your student has used their student email to communicate with any organizations listed above, we are advising them to contact that organization or change their contact information to a newly made personal email account. After your child graduates, they will need to stay in communication with outside resources and our school-based accounts are deleted at the end of June.

If you have any questions, please feel free to call Freedom Area School District.

Sincerely,
